

# CATERING AT SLUTTY VEGAN ATL

PLANNING A MEETING? WORKING ON A SPECIAL EVENT? PUT SOMETHING SLUTTY ON THE MENU!

**Slutty Vegan** is an interesting and popular food brand and concept that is taking over the U.S!

In August 2018, the “Slut Mobile” by Slutty Vegan quickly became one of the most sought-after food trucks in Atlanta – with hundreds lining up every day to experience their one-of-a-kind vegan junk food delicacies. On January 2019, Slutty Vegan opened a brick and mortar location that brought out over 500 people. **Pinky Cole** has a niche to create fast-casual comfort food that is completely plant-based. In less than a few months, the “Slutty” revolution has vegans and meat lovers alike standing in line for hours to experience the juicy goodness of plant-based burgers.

Innovative, visionaries, high energy, and passion are just a few words that describe the crew members at Slutty Vegan. Everything we do is with love and intention. At the restaurant, you will enjoy good music, chill vibes, and you may even make a friend or two.
